Organizer / Secretariat of
FABEX / Dessert Sweets & Bakery Festival

FABEX 2020, Dessert Sweets & Bakery Festival 2020 has been cancelled

Fabex 2020 and Dessert Sweets & Bakery Festival 2020 were scheduled to be held at Tokyo Big Sight from Wednesday, April 15 to Friday, April 17, 2020, but due to the global spread of the new coronavirus, we have decided to cancel the exhibition.

With the idea of contributing to the revitalization of the food industry, we have been preparing for the exhibition by carefully observing the government announcements and social conditions, and by holding repeated consultations for the exhibition, giving top priority to the health and safety of visitors, exhibitors, and related parties.

However, we have decided to cancel the exhibition because the period of voluntary restraint requests for sporting and cultural events has been extended, the infection situation in Japan is still on the rise, and the Prime Minister's press conference did not indicate when the situation will be under control, the global infection has spread rapidly in the past few days, and the possibility of a prolonged infection has been suggested, and the trend of voluntary restraint has not subsided.

We regret the cancellation of the exhibition, but due to the emergency situation, we would like to ask for the understanding of all exhibitors, visitors and related parties.
